Highway 92-Near Half Moon Bay Intermittent Overnight Lane Closures Starting July 26th

SAN MATEO COUNTY – The California Department of Transportation (Caltrans) will be resurfacing sections of the roadway on Highway 92 in San Mateo County between the City of San Mateo and Half Moon Bay. The month-long work will start Thursday, July 26th and be completed by August 30th. Crews will repair sections of roadway that have become worn over time.

To ensure worker and public safety, intermittent overnight lane closures are scheduled to start on both westbound and eastbound Highway 92 just east of Half Moon Bay beginning Thursday, July 26th at 10 p.m. and be completed by August 30th. All work is weather permitting.

Lane Closure Times and Locations

During intermittent lane closures, one lane of traffic on Highway 92 will remain open while the other lane of traffic on Highway 92 will be closed between Half Moon Bay and Pilarcitos Creek Road.

The work will start on Thursday, July 26th. During the work, lane closures are scheduled to start at 10 p.m. each night and conclude the following morning at 6 a.m. Work is scheduled Sunday through Friday.

Crews will help direct motorists and install changeable message signs during the lane closures. Motorists should allow for extra travel time.

Please drive cautiously through the construction zone and leave a safe traveling distance between your vehicle and the vehicle ahead of you. Caltrans appreciates your patience as we work to improve the highways. Please remember to “Slow for the Cone Zone.”
